Community First Bank

FirstNet Terms and Conditions (Consumer Accounts)

These terms and conditions (the "Agreement") govern the provision by Community First Bank (the "Bank") of internet based access ("FirstNet") to your designated accounts with the Bank ("Account(s)"). In this Agreement, "you" and "your" refers to the Account holders, whether one or more.

FIRSTNET BANKING SERVICES

FirstNet may be used to perform the following banking services ("Services") offered by the Bank:

Transfer funds from your home equity line of credit to your deposit Account(s), make payments from your deposit Accounts to apply to your loan Accounts, transfer funds among your deposit Accounts, perform Account inquiries on Account data and transaction history, export Account transaction history files, view Account statements, and authorize bill payments from Accounts to third parties outside of the Bank ("BillPay");

ENROLLMENT

To establish FirstNet, you must complete certain enrollment forms or other documents ("Enrollment Forms").

You understand and agree that this Agreement governs all FirstNet activity for Accounts that are used primarily for personal, family or household purposes. Any Accounts used primarily for business purposes are governed by the terms of the FirstNet Cash Management Terms and Conditions and not this Agreement. Your signature on the Enrollment Forms constitutes your agreement to the terms of this Agreement.

SECURITY DEVICES

The Bank will provide security devices that provide access to FirstNet and the Services by you ("Security Device(s)"). Security Devices may include, without limitation, passwords, codes, and secure tokens. The Bank recommends that Security Devices that consist of passwords or other codes established by you be changed not less than every 180 days. Some Security Devices, such as secure tokens, may require registration within a particular time period following receipt by you. Other specific instructions may accompany the Security Devices. You agree:

- a. To comply with any instructions accompanying or provided to you in connection with a Security Device, including, for example, instructions for registering secure token devices;
- b. To safe keep and maintain all equipment used for FirstNet and all Security Devices so that they are not available to any unauthorized person and otherwise in accordance with any instructions provided or recommended by the Bank;
- c. To notify the Bank immediately if you have any suspicion that a Security Device or means of accessing FirstNet, such as a computer or a mobile device, has been lost, stolen, or could be used for an unauthorized transaction or activity and you would like to terminate the Security Device or FirstNet.
- d. That Bank may change its Security Devices at any time.

If you have given someone your Security Devices or equipment used to access FirstNet and want to terminate that person's authority, you must change the identification numbers, password or other Security Device, or take additional steps to prevent further access by such person.

CONSUMER LIABILITY

Tell us at once if you believe your Security Device or means of accessing FirstNet has been lost, stolen or otherwise become available to an unauthorized person. Telephoning is the best way of keeping your possible losses down. You could lose all the money in your Accounts (plus your maximum overdraft line of credit). If you tell us within two Business Days, you can lose no more than \$50 if someone used your Security Device or equipment used to access FirstNet without your permission. If you do NOT tell us within two Business Days after you learn of the loss or theft of your Security Device or equipment used to access FirstNet, and we can prove that we could have stopped someone from using your Security Device or equipment used to access FirstNet without your permission, you could lose as much as \$500.

Also, if your statement shows transfers that you did not make, tell us at once. If you do not tell us within 60 days of the date we mail a periodic statement to you, you may not get any money you lost after the 60 days if we show that we could have stopped someone from taking the money if you would have told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time periods.

CONTACT IN EVENT OF UNAUTHORIZED TRANSFER

If you believe your Security Device or equipment used to access FirstNet has been lost or stolen or that someone has transferred or may transfer money from your account without your permission, call 608-943-0150 or write Community First Bank, 925 Wisconsin Avenue, Boscobel, WI 53805.

LIMITS OF ONLINE BANKING TRANSACTIONS

You must have enough available money or credit in the Accounts from which the Bank is instructed to make a payment or transfer. When any funds transfer or BillPay is scheduled, you authorize the Bank to withdraw the necessary funds from the designated Account. For electronic payments, the Bank deducts the amount of funds transfers or bill payments from the designated Account on the Business Day the Bank processes the instruction. For payments for which the Bank issues a check, the Bank deducts the amount of the bill payment from the designated Account on the Business Day the check is presented for payment. Each instruction to the Bank to withdraw or transfer from an Account is an order to the Bank to pay from that Account at that time or on a later date, if any, indicated in the instruction. The Bank may charge payments against the Account even though the charge creates an overdraft, or may refuse to make payments if the charge creates an overdraft, in its discretion. If an Account is overdrawn, you agree to immediately pay the overdrawn amount, together with any applicable fees. If the Account is maintained in connection with an overdraft credit plan, any overdraft will be made in accordance with the agreement or rules governing that Account. Withdrawals are limited to six pre-authorized, automatic transfers or withdrawals by check, draft or debit card or similar order per month out of savings or Money Market Gold checking accounts. Transfers made via FirstNet are included as pre-authorized or automatic transfers subject to these limitations. Any transfers in excess of these limits must be done in person at the Bank and may be subject to fees. (However, payments to your loan account with us are not counted toward this limit for savings and money market deposit accounts.)

FAILURE TO COMPLETE PAYMENTS OR TRANSFERS

The Bank is not obligated to make or liable for any transfer originated via FirstNet if:

- The Account has insufficient funds, has been closed or is not in good standing
- The Bank reverses a payment or transfer because the Account had insufficient funds
- The payment or transfer would exceed the credit limit of the Account
- The Bank does not have complete, correct or current account numbers or other information required to complete payment, credit, transfer or other transactions
- The equipment was not working properly when the transaction was attempted
- You did not properly follow instructions, failed to provide accurate information or failed to promptly inform the Bank of any inaccurate information about which you became aware
- The Account balance is subject to legal process or other claims that restrict the payment, transfer or other transaction from being completed or the transfer is restricted by law or regulation
- Due to interruptions in access to FirstNet due to a system failure
- Cut-off times are not met and a payment or transfer is not made when instructed or is made contrary to your instructions.

Bank shall have no responsibility or liability for failure or delay in performance pursuant to the terms of this Agreement when such failure or delay is due to any natural disaster, fire, flood, storm, strike, labor unrest, war, riot, act of God, power failure, equipment failure, errors or acts by any third party or any other cause beyond Bank's reasonable control.

NOTWITHSTANDING ANY OTHER PROVISION IN THIS AGREEMENT, UNLESS OTHERWISE PROHIBITED BY LAW, THE BANK'S SOLE RESPONSIBILITY FOR AN ERROR BY THE BANK OR THE BANK'S THIRD PARTY PROVIDER IN TRANSFERRING FUNDS, PAYING A BILL, OR OTHERWISE ARISING FROM OR RELATING TO THIS AGREEMENT WILL BE TO CORRECT ANY ERRORS, BUT IN NO CASE WILL THE BANK BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, PUNITIVE OR CONSEQUENTIAL DAMAGES IN CONNECTION WITH OR IN ANY WAY RELATED TO FIRSTNET OR THE BANK'S PERFORMANCE HEREUNDER.

BANK MAKES NO WARRANTIES OR REPRESENTATIONS WITH RESPECT TO FIRSTNET, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO, WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

BUSINESS DAYS/CUT-OFF TIMES FOR TRANSACTIONS

FirstNet is generally available 24 hours a day, 7 days a week. However, the Bank only processes transactions and updates information on Business Days. Business Days are Monday through Friday. Federal holidays are not included. All times in this Agreement are Central Standard Time.

- a. The Bank can process a funds transfer on the same Business Day as your instructions, if the Bank receives your instructions before the cut-off hour of 6:00 p.m. on a Business Day.
- b. If the Bank receives your instruction after the cut-off time, the transaction will be processed on the next Business Day. If you schedule a funds transfer for a future date, the transaction will be processed after the close of business on that date, if that day is a Business Day.
- c. If the date requested for a future transfer is not a Business Day, the transaction will be processed on the next Business Day.
- d. If a recurring funds transfer or bill payment is scheduled and the payment date does not exist in a month, the payment will be processed on the last Business Day of that month.

CANCELING FUNDS TRANSFERS

- a. Canceling a Pending Order. You may cancel or change a pending funds transfer or bill payment, whether an individual transaction or a recurring transaction, by selecting and accurately completing the appropriate FirstNet fields from the payment menu. Any instruction to cancel or change a transfer or bill payment must be received by the Bank prior to the cutoff time on the Business Day the transaction is to be processed. If the payment is not properly canceled in FirstNet by the cut-off time and so the Bank does not receive your complete and accurate instruction identifying a funds transfer or payment prior to that time, the Bank may process the transaction.
- b. Liability for Failure to Stop a Preauthorized Transfer. If you cancel or change a pending transaction on FirstNet according to the instructions in a timely and accurate manner and the transactions is not so canceled or changed, the Bank will be liable for the losses or damages proximately caused by the Bank's failure to do so.
- c. The Bank's Rights. If the Bank fails to cancel or stop any funds transfer or bill payment, the payment will stand unless you show us that the payment to the payee was unenforceable. If the Bank recredits your account after transferring funds over a valid and timely cancellation request, you agree to sign a statement describing the dispute with the payee, to transfer to the Bank all of your rights against the payee, and to assist the Bank in any legal action taken against that person.

You understand there will be a fee assessed by Bank in connection with stop payment orders issued on checks, as stated in the Bank's fee schedule and further understand that if payment on the check is stopped, the payee or other holder of the check might still be able to recover from you the amount of the check, plus other damages. If you cancel or change any pending funds transfer transaction by completing the appropriate fields from the payment menu, there will be no charge.

FEES

You agree to pay the fees and charges for FirstNet according to the Bank's current fee schedules, as they may be amended from time to time. You authorize the Bank to deduct these charges as accrued directly from the Accounts. Please contact the Bank for the current fee schedules.

All transactions occur on a secure server and FirstNet makes use of various other security mechanisms, including fire walls and encryption programs. You will automatically be logged out of FirstNet after 10 minutes of inactivity. You will automatically be locked out of FirstNet after three bad Security Device attempts. The Bank has the ability to monitor Account usage and will monitor periodically for unusual activity, but assumes no obligation to do so, or to act on any information obtained while monitoring such usage and you release Bank from any such liability.
